

THE WHITE HOUSE  
WASHINGTON

January 28, 1987

Dear Dr. Mohtashemi:

Thank you for your message to President Reagan and for your words of support and encouragement. Hearing from people like you is a great boost to him, and he has asked me to tell you of his heartfelt appreciation for your expression of goodwill.

The President has also asked me to thank you for sharing your thoughts with him. He reads many editorials and his advisers ensure that he sees a steady stream of opinion polls, but the views that he values most are those that come in his daily mail from individual citizens. You were good to take the time to communicate your ideas.

With the President's warm best wishes,

Sincerely,

Anna Higgins  
Special Assistant to the President  
and Director of Correspondence
