Dear Senator:

You have already received the copy of a letter I sent to Senator Daniel Patrick Moynihan on January 21, 1987. I have not received any response as yet. In any event, I would like to meet you too, to disclose and describe the very important matter that I believe will lead the entire world to proper health, happiness and peace.

If you allow me an appointment, I would plan to meet with you at your convenience, unless Senator Moynihan advise me otherwise.

Sincerely yours,

H. Mosh

Hormoz Mohtashemi, M.D.
