Dear Miss Rima Cohen

Enclosed are Copies of the letter that I have written to Mr Ted Koppel and the letter that I have written to an Iranian News paper " Kayhan Airmail " about my theories. These letters may not be taken seriously by them at this time, this may not change the course of events significantly.

I am willing to discuss the details of my thoughts and my plan " for achieving peace " with you or Senator William Bradley, Confidentially, in proper time if you consider it appropriate. I will be available for you and him for any explanation and cooperation at any time.

Sincerely yours

H. Mof  M.D.
