Dear Dr. Motashemi:

I apologize for the delay in responding to your letter. While I am pleased that an extraordinary number of New Yorkers have taken the time to contact my office recently, this increasing volume prevents me from responding to you as promptly as you deserve.

Thank you very much for having taken the time to write and to send the interesting letters regarding the formation of a "Congress of the World." I am glad to have them, and I anticipate that they will prove to be of use.

Sincerely,

Daniel Patrick Moynihan
