Dear Mr. Brokaw:

I am pleased to send you a copy of some of my letters, including those that I have written to Mr. Ted Koppel, Mr. M. S. Gorbachev. The Presidents of Iran, Verturauliche Mitteilungen and Pope John Paul II. These letters explain parts of my theories for creating utopia in the world, also explain the inspiration that I had directly from God on July the third 1986.

The theories, my map of success and our activities hopefully will lead the United States to emerge as the greatest nation in the history of the world in all aspects of humanity, arts, sciences technology and other beneficiary phenomenon. Please feel free to contact me if further information is desired.

Sincerely yours,
