

The Flight Of Eagle

Benediction

Dedicated to DR. E. Mark Stern

Praise Of God

- * The good news is that Christ has come back.
His fine work is reminiscing someone special.
- * The soul of Jesus, the light of the sun, and the holiest spirits.
All have arrived to rescue us from the cage.
- * The sound of Moses and other prophets of God.
All have arrived to rescue mankind.
- * The shining sun, the moon, flowers, the kings, friends and sweetheart (Negar)
All are manifesting the ringing bell.
- * The moon, the sun, the stars and universe.
All are preparing to observe us.
- * The poets, the discoverers, and the philosophers.
All have arrived meekly to meet the humble men.

" O " God, we are indebted to you.
You delivered us from darkness.

" O " God, we are indebted to you.
You delivered love to our loneliness
You enlightened us by your presence.
You enabled us to fly.
